Euro3

The Aprilia SR Max 300/125 and SR Motard 125 are EU-approved eco-sustainable vehicles, which comply with the Euro 3 atmospheric and acoustic pollution limits.

Euro2

The Aprilia SR Motard 50, SR R 50 and SR Street 50 are EU-approved eco-sustainable vehicles, which comply with the Euro 2 atmospheric and acoustic pollution limits. Refer to the local Highway Code and the vehicle documents for use of the vehicle with a passenger.

Ride carefully and always wear a crash helmet and suitable clothing. Comply with the Highway Code and environmental regulations. Read the user and maintenance handbook carefully. Always ask for type-approved original spare parts. Apply to Aprilia Official Dealers and authorised sales outlets for a sure purchase and guaranteed assistance. The technical specifications, characteristics and colours as set out in this brochure may be changed without prior notice.
